

South Plainfield Soccer Club Commitment Form 2011-2012

As a player parent, I understand and agree that my bond is an insurance that I commit to volunteering my services to the benefit of the club through Snack stand, Work detail, or other approved volunteer work equaling 3 hours per season (6 hours total - Fall and Spring) per child. In addition, I understand that Canning takes place each season and I am required to fulfill that obligation in addition to work detail. Once I have completed my required time, I am entitled to my bond return or have the option of having the bond rolled over to the following season. Failure to volunteer will result in the loss of my bond and I will be required to pay the bond again should my child register for the following season.

The SPSC hopes that you understand and accept the bond requirement as simply an insurance to get our parents to assist the club in its operation. The intention is not to keep the bond, but ensure that we get the much needed help in our snack stand, on our fields or in the many functions that the club has to see that your child has a safe, well equipped facility and the best experience possible in the SPSC.

Please complete the following: (please print clearly)

Name _____

Address _____

Phone Number (home) _____ (cell) _____
